Discussions & Points by Parents– The members were motivated to ask their doubts and questions which the Founder Director Mrs Kamla Bisht Ma'am answered. They are as follows:

The parent's concern was an immediate exam after the Diwali vacation reply for the same.

- Parents can emphasize the importance of time management and preparation during the Diwali break by encouraging their children to create a balanced study plan. This plan should allow for both relaxation and focused revision. Additionally, managing study time effectively can help children learn to handle stress at an early age, building skills that will benefit them in the future.

The meeting concluded with a thank-you note from the Principal and Chairperson of EPTA, to all the esteemed attendees. Additionally, the Principal announced that the next EPTA meeting for this academic year is scheduled for Saturday, January 11th, 2025.
