Annual Events, Schedule and Calendar

Annual Yearly Calendar was discussed for the year. Also subject wise planner template was discussed and agreed to be used for all subjects. Both Annual Event, Schedule Calendar is published in Google Classroom for parents to easily refer for the schedule. To avoid confusion, key events are also published in school physical diary.

Usage of Google Classroom and School ERP Portal

This year to improve communication and ease of access, admin has proposed usage of

- Google classroom for academic homework, calendar, events, reference material and general notice information
- School ERP is for reports, fees and GPS tracker

All agreed to the new approach and appreciated the usage of new tools and processes to improve communication with all stakeholders.

School Facility Upgrade

Many parents raised concern about access road to the school. Principal maam committed to make get the road work done and it will be cement before Dec'2024. Vendor is allocated and he will work during Diwali and new year holidays.

Football court, Basketball and Gymnastic regular maintenance is given to vendor and students are enjoying the facility.

New pickle ball court will be installed and budget is allocated for the same. It will be made in Dec'24. All stakeholders agreed to the plan and appreciated the new pickle ball court.

Cricket will be introduced this year due to popular demand.

Fee Structure

Vice principal shared the fee structure for next academic year.

- Bus fee to be paid to vendor directly; school doesn't take any financial benefit from the same. School monitor the service and one Didi (support staff) will always be in the bus at all the times. Parents will need to talk to kaka only for Bus related queries.
- We try to avoid additional charges for Sports/Extra curriculum/workshops/Annual Event/Drama as far as possible. Fee for participation in private sports competition outside needs to be paid by parents directly.

Appreciation, Accolades and New Addition

- Associated with Indian Federation of Mathematical Championship in association with the Swiss Federation of Mathematical Games (FSJM). Basic SOF Olympiad Preparation for all subject is done along with curriculum.
- SOF and Spell results and awards in multiple categories were distributed in assembly. Results have been really good. We do not publish results to avoid comparison.
- Maths is Fun for Hands on Learning. Designed Many Maths Toys Based on Singapore Maths Concepts have been introduced this year
- Drama Program included as part of curriculum. It will be continued if we see student's participation, interest and value add in improving communication
- Design Thinking Workshop & NGO based Entrepreneurship for Young Leaders
- Internship – Knowledge Sharing Session for Students by Students
- More than one acre area reserved for Sports activities. Football Turf, Skating Track, Gymnastic, Basketball is already setup. New Football Turf 6000 SQFT recently Setup.
- Additional 5000 Sqft area reserved for Gardening
- Carpentry, Electronics, Robotics, Early Engineering, Gardening, Painting Hands on Projects are part of the curriculum and parents appreciated the same.

Parents gave a positive feedback about school approach towards hands on projects and activities. Students learns multi skills and learning many new things in the process.

Annual Outing and Sports Annual Event

- All outings School bus will be used for all travel purpose in nearby area. Teacher to students ratio will be 10:1 and Didi support staff and kaka will accompany.
- Grade 1, 2 and 3 – outing will be planned in nearby areas within 10 km from school. All outing will be only for the educational purpose. All costing will be done on actual basis and school will not take any financial gain from this process.
- Grade 4th to 6th : will go for outing in the nearby areas. Visit can be adventure, or educational.

Thanking the members warmly for their participation and presence in the meeting.
