Conducting class-wise parent-teacher meetings would provide a platform for open discussions, enabling parents and teachers to address concerns and matters like fee payments, student progress, and more, in a collaborative and transparent manner.

Mr. Akalekar Principal Ma'am noted that only 45% of parents attend the Parent-Teacher Meetings (PTMs). To improve engagement, the school plans to conduct PTMs Semester-wise from next year, resulting in two meetings annually, to encourage more parents to participate and stay updated on their child's progress.
