➤ Fitness Awards

- The fitness program at Sanskriti is a custom-made program by our team of in-house experts from the Indian Army Institute of Physical Training. The goal is to create a lifelong foundation of physical and mental health for our students.
- We believe that children who are physically fit will be happy and motivated overall.
- Our mission is to improve the performance of our students in all five fitness parameters namely Strength, Agility, Endurance, Speed & Flexibility.
- Over the last 2 years the overall fitness of the entire students has improved.
- 2 years ago in the Academic Year 22-23, about 70% of the students were able to achieve this.

Now in the Academic year 24-25, 80% of the students can achieve this standard.

- Also, our fitness is higher when compared to students from other schools. We have a method of assessing this. Only 50% of the students who take admission with us directly in Class 5 are able to achieve a score of 16.

'The Excellence in Fitness Awards' event happened in the month of September. Students even took the oath for being fit in life. They were felicitated by Col. Vijay Kumar, Lt. Col. Gorav Sharma, Lt. Col. Pramod Kandiyal. All our chief guests were a great source of inspiration for our students.

➤ **Cricket net**

One thing our children are longing to have in our school is the cricket net. Their wish is granted and the cricket net will soon witness our champions practicing playing cricket.

➤ **Gymnastics**

Our gymnastics hall is all set for our students to enhance their skills further in MPH1.

➤ **Fee revision**

- At Sanskriti, we follow biennial (once in two years) fee revision format.
- The last fee revision was done for Academic Years 2023-24 and 2024-25.
- The upcoming revision is for Academic Years 2025-26 and 2026-27.
- The revision has been tabled to absorb the rising costs.

2023-24 and 2024-25				
Class	Monthly Tuition Fee	Monthly Tuition Fee	Monthly Tuition Fee	% Increase For 2 Years
I - V	6,895	7,805	7,805	13.2%
VI - X	7,145	8,090	8,090	13.2%

Our management representative, Yogesh Sadhwani sir shared in detail about the fee revision. The members were given an opportunity to clear their doubts and concerns if any as regards the revision of fees. The Executive Committee members unanimously accepted the Fee Revision proposal.

➤ **Upcoming events**

Ms. Shilpa Desai shared with the members about the upcoming events in the academic year for all the sections. To name a few Grandparents Day for the Pre-Primary section, Kaleidoscope for the primary section and Annual day for the Secondary section.

➤ **Students Poll: Overview**

We want to empower our students and get to know their wishes and dreams. This year our 'Student council' members got the opportunity to conduct meetings with our children right from class 1 to 10. They explained in detail about the process of polls to them.

The polls held in September also aided in honing decision making skills of our children. They were given four choices 1. Digital art studio, 2. Rock climbing, 3. D.A.R.E. lab, 4. Career counselling desk.

All children from classes 1 to 10 participated in the polling process by casting their vote for their favourite activity. The results of the polls were announced and the D.A.R.E. lab (Drone, Aeronautics, Robotics, Electronics) emerged as a clear winner. We will be working towards fulfilling their wish.

➤ **Open forum**

- One of the members felt that the skating bags are too heavy for our students to carry along with their regular school bag.

It was shared with the members that we are exploring various possibilities to make this part easier for them.

- Parents expressed about the need of an ambulance in school for emergency medical cases and CCTV cameras.

It was shared with the parents that we have a dedicated winger with special arrangements for any emergency. This vehicle is stationed in our school throughout the day exclusively for our students.

We have conducted an internal audit and will now be installing almost 90 cameras in different areas in school in addition to the existing cameras in school.

- Excursions

Parents feel that we need to take students for excursions for longer number of hours and overnight stays.

We have taken a note of this and will work in the best interests of our children.

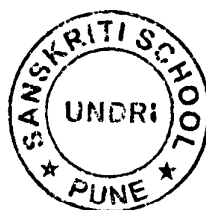

- After school sports

Parents requested for bus facility for 'After school sports.'

It was shared with the parents that logistics would be of great concern in this matter.

Vote of thanks.

The Principal ma'am, Ms. Shilpa Desai expressed the vote of thanks to all the members present and for sharing their valuable inputs.
