- Rajan Sir also mentioned that the Homi Bhabha exams are conducted to help students prepare for future competitive exams. He added that any fines will be levied if a student does not appear for the exam.
- A workshop for parents will be organized by Director Ma'am.
- He also mentioned that in response to parents' requests for after-school sports activities, these have been introduced, but participation has been quite limited.
- Director Ma'am discussed the roller skating extra classes with the PTA members, noting that they had received some applications for them. She emphasized the importance of reaching out to those parents.
- Parents expressed concerns about the rifle shooting classes, and Raj Sir assured them that the classes would be conducted regularly going forward. He had met with an accident due to which the classes were not taken.

- Tr. Apsara highlighted the recent Homi Bhabha exams conducted at RIS, emphasizing their role in preparing students for future competitive exams. Principal Ma'am shared that appearing for these exams is mandatory. Teachers actively followed up with absent students, though some Grade IX students had missed the exams to participate in a cricket match not organized by the school. Disciplinary action was taken against students who failed to appear.
- Study material was shared for the exams. Classes were taken by the Science teachers.
- Director Ma'am informed that Tr. Apsara had personally visited each class to announce details about the exam. She emphasized that any lapse in adhering to the rules and regulations would result in punitive action.
- If a child is absent during such important examinations, they will be required to submit not only a medical certificate but also the doctor's prescription and the medicine used bottles/ strips. It is sad that we have to resort to such methods as we got to know from the PTA that doctor certificate are available at rps. 200/-
- The PTA Secretary mentioned that parents had been calling her, expressing concern that they were not informed that punitive actions would be imposed. One parent, Mrs. Moiyadi, stated that she was not asked to pay the fine by Director Ma'am, which was not true. Rajan Sir clarified that she was instructed to submit an application to Director Ma'am for approval, and if Ma'am granted permission, the fine would be waived.
- Principal Ma'am will respond to the emails sent by parents.
- Confirmation slips for continuation at RIS for the Academic Year 2025-26 will be provided to all students shortly, and books will be ordered accordingly. Once confirmation is received, and then if any one applies for LC, parents will be required to purchase the books sets and materials ordered by the school office for their ward.
- Principal Ma'am had added that some students borrow books sets from past year students but that wouldn't work as many changes are expected from the ICSE board.
- Principal Ma'am shared that the venues for the day picnics have been identified, and students will receive the notes soon. Last-minute entries will not be accepted, and deadlines must be adhered to. No refunds will be provided for cancellations.
- Care will be taken when planning so that other events will not be scheduled on the days of excursions, as stated by PTA members.
