The Discussion on Fee Structure in the Parent-Teacher Association Meeting:

On March 12, 2025 wednesday, during the Parent-Teacher Association meeting held at Prajnanabodhini English Medium School Shirgaon, tal- Maval Pune, a discussion took place regarding the school's fee structure.

The meeting covered various aspects such as fee structures of different schools, fee rates, co-curricular activities conducted by the school, sports facilities, computer and modern technology laboratory integration, etc. The information was also taken from the parents on these aspects and their feedback was collected. Additionally, the unique academic and social characteristics of Prajnanabodhini were explained once again, emphasizing its special educational structure.

To ensure a balanced approach to education under one roof, discussions were held on implementing a new fee structure from the academic year 2025-26.

Key Decisions Taken:

1. Existing students (those who have admitted before academic year 2025-26) will continue with the old fee structure.
2. New admissions from the academic year 2025-26 will follow the new fee structure.

- Categorization of Educational Groups:

The fee structure is divided into four academic groups:

1. Pre-Primary: Nursery, Junior KG, Senior KG
2. Primary: Classes 1st to 4th
3. Higher Primary: Classes 5th to 7th
4. Secondary: Classes 8th to 10th

- Fee Policy:

The annual fees will be fixed for each academic year. Once a student is enrolled in a particular academic group, the fee will remain the same for the student until his/her transition to the next academic group.

- When a student moves to a higher academic group, he/she will be charged the newly declared fee for that academic group at that time.

- The composite fee structure will include:

- Academic fees, term fees, Technical skill activities part 1 (e.g., electrical, electronics, robotics, IOT, computer science)

Skill development activities part 2 (e.g., Tabla, Harmonium, Dance, Storytelling, Abacus, Sanskrit).

- Physical education, library, laboratory, student handbook, ID card, etc.

- New admissions will have to pay an admission process fee and a separate charge for school materials, in addition to the composite fee.

- Parents must pay the composite fee in three instalments throughout the academic year.

- Finalized Fee Structure for 2025-26:

1. Pre-Primary (Nursery to Senior KG): ₹35,000 per year

2. Primary (Class 1st to 4th): ₹36,500 per year

3. Upper Primary (Class 5th to 7th): ₹39,000 per year

4. Secondary (Class 8th to 10th): ₹41,000 per year

All PTA members unanimously approved this resolution for the academic year 2025-26.

In place of Composite fee – I feel combined fee OR as per New Fee Structure must be used.
