Subject: Request for Police Representation in the **Parivahan Samiti** or Emergency Contact Details

Dear Sir/Madam,

As part of our continued efforts to ensure the safety, security, and smooth transportation of our students, we have constituted the **Parivahan Samiti** in compliance with the guidelines issued by the **State Education Department / Government of Maharashtra**. This committee is aimed at overseeing and improving the transport arrangements of the school, ensuring safe commuting practices, and addressing any transport-related concerns of students and parents.

In this regard, we kindly request your esteemed department to:

1. **Nominate a suitable police representative** to be a part of this committee. Their guidance and expertise in traffic management, road safety, and emergency preparedness will be of immense value to our initiatives.
2. **Alternatively**, if direct participation is not possible, we request you to kindly provide the **contact details of an officer** who can be reached in case of emergencies, road safety incidents, or transport-related concerns.

Your cooperation and support in this matter will significantly contribute to creating a safer and more efficient transportation environment for all our students.

We look forward to your kind response.

Thanking you in advance for your cooperation and assistance.

Warm regards,

Jaya Parekh
