Declaration

This is to certify that **Sanskriti International School** is a newly established institution. As the school has commenced operations only recently, the **fee structure for the last three academic years cannot be provided**, since the school was not in existence during that period.

However, the **fee structure for the current academic year is available** and has been duly prepared in accordance with applicable norms and regulations.

The school management affirms that all necessary procedures and approvals will be followed in subsequent years as per the guidelines of the competent authorities.
