**Year-on-Year Increment:** 5 to 7.5%.

**Additional items:** We strive to avoid requiring parents to purchase additional new materials. However, some basic consumable items like batteries, small electronic components, and paper circuits will need to be purchased by parents. We use many reusable materials to minimize unnecessary charges.

**Expenses:** Costs for field trips, external exams, and sports competitions will be billed based on actual expenses.

**Food Facility:** An optional food facility will be available. The vendor, who has been serving breakfast and lunch at our school for the past two years, is well-known.
