5. FEES:

- The Principal reiterated that the school fees are the only source of funds for the school to meet all capital, current and important expenditures. Furthermore, the Management has been giving the teachers their full salaries and their increments every year, since 2010, pandemic or no pandemic.
- The school does not get any financial aid from the Government or any other source.
- The Management has been very considerate with regard to the payment of fees during the pandemic, especially for parents who have had genuine problems.
- The parents have been given the option to pay in monthly instalments, no late fee has been charged and scholarships to deserving students have been awarded.
- Despite all the above, we still have huge number of parents, who have still not paid the fees. The Members of the PTA Executive Committee agreed to follow up.
- The Members of the Executive Committee of the PTA for the Academic year 2021-2022 had unanimously agreed to an increase of 15% in the fee for the academic year June, 2022- May 2023. The Members of the Executive Committee of the PTA for the academic year June 2022- May 2023 unanimously agreed to abide by this decision.
- The PTA Executive Committee was also informed that there would be no increase in the fees as per the Government rules for the academic year 2023-2024.
