Mr. Patil had a query why the Gr. 10 fees are more? To this Principal ma'am replied that the expenses of Gr. 10 are more.

Mrs. Debanath asked why the expenses for developmental plan not put in the sheets. Ma'am explained her that it is mentioned in the sheets ^{for 24-25} for 25-27 as 24-25, we did not.

Mr. Sathe suggested that instead of buying new computers renting them will be more feasible. Ma'am said that we shall definitely look into this suggestion which is quite valid.

Dr. Monali Kadam agreed that fee hike is necessary and will it be in 4 installments? Principal Ma'am said yes 4 installments, however she asked the parents would they prefer 2 or 4 installments. EC Members said 4 installments are good.

Mr. Sathe asked if we are expecting RTE reimbursement from Government this year. Ma'am said we are expecting very soon.

All the Parent Representatives agreed for 12% fee rise after going through the documents. They also signed the resolution before leaving.
