Mail for Fee Hike

Dear Parents,

I hope this message finds you and your family in good health and high spirits. We would like to extend our heartfelt gratitude for your continued support and trust in Kaveri International School.

We are writing to update you regarding the revision in school fees for the academic years 2026-27 & 2027-28. The school fee is revised after following due process prescribed by Maharashtra Educational Institutions (Regulation of Fee) Act, 2011 Maharashtra Educational Institutions (Regulation of Fee) (Amendment) Act, 2018 & Maharashtra Educational Institutions (Regulation of Fee) Rules, 2016.

Over the past year, Kaveri International School has strived to maintain the highest standards of education, enhance our facilities, and provide an enriched learning experience for our students. We are always committed to maintaining these standards.

After careful consideration and thorough assessment of our operational expenses, we find it necessary to revise the school fees. The revised fee structure will ensure that we can sustain and improve the quality of education while keeping pace with rising costs.

The executive committee of PTA (in majority) after deliberations and with careful consideration of our school's financial health and the long-term welfare of our students has agreed upon the present fee revision. The detailed fee revision chart is annexed below.
